Product Information

- Concentrated for High Coverage
- Super Penetration
- Easy to Use
- Low Odor

Concentrated Wax Stripper Removedor de Cera

DESCRIPTION:

UltraStrip is a highly concentrated, rinse-free floor stripper designed for the removal of all floor finishes and waxes. Formulated with special wetting agents to prevent rapid drying.

DIRECTIONS:

Mix stripper according to directions depending on finish build up. Liberally apply solution with a mop, work in small areas and do not allow solution to dry on the floor. Scrub the floor with several passes with either an autoscrubber or floor buffer with strip pads. Pick up slurry solution completely. Rinse twice with clean rinse water. Check the floor to make sure all finish has been removed. Allow the floor to dry completely before applying floor finish. Always use wet floor signs and wear personal protective equipment including stripping boots.

Normal build up: use 5 oz per gallon of water 1:26

Medium build up: use 10 oz per gallon of water 1:13

Heavy build up: use 12 oz per gallon of water 1:10

DESCRIPCIÓN:

UltraStrip es un producto altamente concentrado, libre de enjuague y diseñado para la eliminación de todos los terminados de piso y ceras. Formulado con un agente especial para prevenir resequeidad.

INSTRUCCIONES:

Mezcle UltraStrip según las instrucciones y dependiendo de la acumulación del terminado. Aplique liberalmente la solución con un trapeador, trabaje en áreas pequeñas y no permita que la solución se seque en el piso. Talle el piso con varias pasadas usando una maquina automática, pulidor de pisos o con una almohadilla para despejar. Recoga la solución escurrida. Enjuague dos veces con agua limpia. Revise el piso para asegurar que todo el acabado se ha removido. Permita que el piso se seque completamente antes de aplicar el acabado. Siempre utilice señales de piso mojado y use equipo de protección personal como botas de despojamiento.

Acumulación Normal: Use 5 onzas por galón de agua 1:26

Acumulación Mediana: Use 10 onza por galón de agua 1:13

Acumulación Pesada: Use 12 onzas por galón de agua 1:10

1 Gallon	113804
5 Gallons	113805
55 Gallons	113855

TECHNICAL SPECS:

pH	13-14
Fragrance	Butyl
Color	Clear Amber
Specific Gravity	1.04
VOC Content	< 110 g/L
Foam Characteristic	Low
Solubility in Water	Complete

See SDS for complete product information.
