Metal-Brite Stainless Steel Cleaner & Polish

Metal-Brite cleans and restores luster and shine to stainless steel, chrome, aluminum and metal surfaces. Works great on all types of surfaces such as metal filing cabinets, metal counter tops, stainless steel and chrome restroom fixtures and more. Leaves no greasy film. Cleans and polishes in one operation. Protects from water spills and stains. Safe to use on all finished, sealed woods.

DIRECTIONS:

1. Shake well before using.
2. Hold bottle 6 - 12 inches from surface.
3. Spray area lightly, directly on surface.
4. Wipe area and polish until dry.
